

CHILD WELFARE SHOW.

Exhibition Opens in Kansas City and Will Last Eight Days.

Kansas City, Nov. 3.—With the purpose of presenting the case of the child versus disease and crime so graphically that it can not be misunderstood, the third child welfare exhibit ever held in the United States began here today to continue for eight days.

The exhibits consisted of motion pictures, statistics, charts and other things that best present every angle from which the life and condition of the child may be improved. Special attention was given to the welfare of children in the congested districts of large cities. Ventilation, sanitation, pure food and public playgrounds were among the subjects considered.

Leading dentists of the city gave mothers practical lessons in the care of their children's teeth and showed how children's eyes should be cared for.

A feature of the scheduled program is a three day pantomime in which 130 children will give the history of Kansas City, including the battle of Westport and the burning and rebuilding of Convention hall, where the exhibit is held.

Dr. Anna Louise Strong of Seattle, who was active in the child welfare exhibition in New York and Chicago, is in charge here. Among those who will deliver addresses are: Governor Hadley of Missouri; Thomas J. Riley, president of the Washington Board of Child Welfare; Dr. Francis H. McLean of New York; Dr. R. N. Baldwin, St. Louis; A. W. Guthrie, St. Paul, and Raymond Robins, Chicago.

IN PRISON 17 YEARS.

Two Life Convicts in Illinois Are Found to Be Innocent.

Chicago, Nov. 3.—Two men have served seventeen years of life sentences for murders of which they were innocent and still are in the Illinois state prison, sacrifices to police desire to "get a conviction," according to the belief of former Judge Henry Freeman, who sentenced them, and to the testimony of several police officers. The men are Charles Kurth and Thomas McNally, sentenced for the murders of Patrick and Peter Prunty. Former Judge Freeman today began active steps to obtain pardons for them. The testimony of Police Captain John M. Haines and Patrolman August Weber before the pardon board indicated that the police suppressed evidence at the demand of former Chief Joseph Kipley.

Captain Haines said he was repaid for expressing a belief in the innocence of the men. "I was called 'no,'" he said, "and I asked the chief if he wanted me to swear to a lie. 'No,' he said, 'but we don't want these wrangles.'"

"I think the evidence which procured their conviction was created by the police and was not truthful, though I did not dream of it at the time," said former Judge Freeman.

DECREE IS MODIFIED

Omaha Escapes Paying Interest to Her Water Company.

St. Paul, Nov. 3.—A decree of the United States circuit court ordering the city of Omaha to fulfill the terms of its contract to purchase the property of the Omaha Water company for \$625,000 and to pay interest on the amount from July 9, 1909, was modified to the extent that the city will have to pay no interest under the opinion delivered today in the United States court of appeals by Judge Adams.

**Want Beautiful Hair?
Then Try This Shampoo**

(Maid Marion on Beauty)
"It is a well-known fact that wet shampoos work injury to both hair and scalp, as all contain more or less potash and 'free' alkali, necessary to create a lather. These two chemicals reduce the vitality of the hair glands and deplete tissues, and drenching the head to remove the lather usually aggravates the condition."

"A very fine dry shampoo that is cleansing and beneficial to the hair and scalp can be made by mixing 4 ounces of either orris root or corn meal with 4 ounces thereof. A tablespoonful sprinkled on the hair, then brushed well through the hair, cleanses and exfoliates the scalp, takes every particle of dust and oil from the hair, and leaves it soft, glossy and easy to do up."

RESTORES PLEASING PLUMPNESS

Samose Sold Under a "No Cure No Pay" Plan.

There are a good many people in Topeka who ardently wish they could find some way of getting fat and plump. While not ill, yet they are so thin and scrawny that their friends think they cannot be well. In nine cases out of ten this condition can be readily overcome by using the combination of flesh-forming foods known as Samose. This little tablet taken three times a day with the food does wonders in building up good health and restoring the pleasing plumpness that is so desirable.

Geo. W. Stansfield, druggist, 532 Kansas Ave., has the agency for this preparation and sells it with the promise that if it does not do all that is claimed for it in making people gain in weight and in health, the money will be refunded.

You certainly can afford to try a 50c box on this plan, as Samose will cost you nothing unless it gives satisfaction. Sent post-paid on receipt of 50c.

No Indigestion, Gas, Sourness or Dyspepsia Five Minutes Later.

A full case of Pape's Diapiesin costs only 50 cents and will thoroughly cure your out-of-order stomach, and leave sufficient about the house in case some one else in the family may suffer from stomach trouble or indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50-cent cases, then you will understand why Dyspeptic trouble of all kinds must go, and why Diapiesin always relieves sour, out-of-order stomachs or indigestion in five minutes. Diapiesin is harmless and tastes like candy.

Though each dose contains power sufficient to digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or live pills for biliousness or constipation.

This city will have many Diapiesin cranks, as some people will call them, but you will be cranky about this splendid stomach preparation, too, if you every try a little for Indigestion or Gastritis or any other Stomach misery.

Get some Pape's Diapiesin now, this minute, and forever rid yourself of Stomach Trouble and Indigestion.
